COMMENTS FROM THE TOWN MANAGER'S OFFICE

Philip Dufour of the James W. Sewall Company of Old Town was the speaker at the Planning Board Meeting on Tuesday evening of this week. He spoke on Comprehensive Planning and how it would benefit the town of Bethel. Mr. Dufour had discussed the same subject at a meeting in May of 1963 that was sponsored by the B. A. D. C. and the Bethel Chamber of Commerce. Unfortunately the subject was not followed up in 1963 and now the town is faced with making some important decisions in the next year without the aid of a comprehensive plan.

The planning board has been very active the last few months and has had monthly meetings since last fall. The subject of a comprehensive plan for the town of Bethel will be proposed at town meeting this year. Mr. Dufour will be the speaker at the February meeting of the Greater Bethel Chamber of Commerce to explain the study, adoption and financing of a comprehensive plan.

The town has traded motor graders. It was decided that it would cost more to fix the old one than it was worth. Everyone agrees that it would be nice to have a new one but the selectmen felt that it was more money than the town could spend at this time. The one we traded for is a 1958 Caterpillar number 12. The trade price was \$11,000.00 and the 1958 was completely overhauled and bonded for 90 days. Delivery should be the first of next week.

Mrs. Earl Davis called on Mrs. Grace Bartlett at Floyd's nursing home recently. Mrs. Bartlett remains about the same.

SUNDAY RIVER SKI CLUB TO SPONSOR SUPPER SATURDAY, JAN. 16

The Sunday River Ski Club will open its winter season with FREE baked bean supper at the Sunday River Skiway Lodge, Saturday, Jan. 16, at 6:30 p. m.

Everyone interested in the promotion of skiing in the area, is cordially invited. The supper is free, just bring a salad or a dessert. A ski movie will be shown and the Junior and Senior Ski Clubs will hold a short business meeting afterward.

Mothers, here's a chance to take the family out and enjoy yourself. Dads, here's a place you won't have to wash dishes. Everyone welcome whether you are a skier or not.

PTA HEARS SPEAKER ON ADULT EDUCATION AT TUESDAY MEETING

The monthly meeting of the Parent-Teachers Association was held at the Crescent Park School on Tuesday evening, January 12th.

John Blake, Associate Director of the Continuing Education Department of the University of Maine spoke on Adult Education and the growing interest of adults in furthering their education. There are courses available in Rumford beginning in February for those interested from this area.

A new attendance banner has been purchased and was won by the 5th grade.

NEA DEPT. URGES SCHOOLS TO ACT TO CURB SMOKING

Alerting boys and girls to the dangers of smoking is the school's responsibility and teachers should help them to see these dangers, the American Association for Health, Physical Education, and Recreation said recently. The statement was approved by the AAHPER Board of Directors and is an official policy of the Association.

The policy urges a four-fold approach:

Adults connected with schools are urged to recognize the power of education by example and then to provide an image consistent with the facts regarding smoking and health. An effective educational program must anticipate the children's decision about smoking and thus begin prior to the teen years, continuing throughout elementary and high school.

Those responsible for sports programs are urged to use the motivation of sports in getting young people to refrain from smoking during the years when the decision to smoke or not to smoke is most likely to be made.

All schools presently providing facilities for smoking are urged to re-examine this practice and to take appropriate steps to eliminate such facilities.

Frederick Stanley entered the Norway Hospital Sunday for surgery.

CHAMBER OF COMMERCE TO SPONSOR CARNIVAL WEEK-END OF MAR. 12-14

The week end of March 12 to 14 has been set as the date for the first area winter carnival to be sponsored by the Greater Bethel Chamber of Commerce.

The Chamber's Winter Sports Committee, headed by Addison C. Saunders, and Joe B. Farrow, co-chairman, held a preliminary session at Norseman Inn, Saturday afternoon.

According to first suggestions, the scheduled events will begin at about 9 p. m., Friday evening, and conclude Sunday morning. A feature of the carnival will be an interchange of "lift" tickets between the areas two ski resorts—Mt. Abram and Sunday River.

Committee members will report back at 7 p. m., Wednesday, January 20, on their progress with such activities as a bonfire; torchlight parade; family racing; snow vehicle events; informal dancing; Saturday night entertainment; and a Sunday skiers' breakfast and church services.

Committee members who will, in turn, be sub-committee chairmen, are: Mrs. Norma Jodrey, Mrs. Samuel Timberlake, Claus Wiese, Donald Cross, Uel Gardner, Murray Thurston, Paul Kiley, and Chamber president, Burdick Pierce.

HOSPITAL AUXILIARY ELECTS OFFICERS

The annual meeting of Bethel Auxiliary of the Rumford Community Hospital was held Friday evening at the home of Mrs. Leland Brown. A pot luck supper was served prior to the meeting. Mrs. Dana Brooks and Mrs. Sam Timberlake were co-hostesses.

New officers elected for the year are: President, Mrs. Lincoln Fiske; Vice President, Mrs. Kimball Ames; Secretary, Mrs. Leland Brown; Treasurer, Mrs. Elizabeth Smith.

Plans were discussed for the annual Smorgasbord to be held in March.

The next meeting will be at Mrs. Richard Brent's Feb. 1

CHASE ATTENDING MAINE MILITARY ACADEMY

Sgt. George Chase of Bethel is attending the Maine Military Academy at Augusta. His parent unit is Co. B, 2nd Battalion, 20th Armor, National Guard, Rumford.

The Maine Military Academy has three terms: Term I is day training period, Term II 12 week end assemblies; Term III 15 day training period. Some of the courses are military leadership, weapons, military justice, drill and ceremonial and signal communications.

Upon completing the course Sgt. Chase will be commissioned as a Second Lieutenant, National Guard.

Sixty-two were present at the Tuesday meeting of the Senior Citizens at the Norseman Inn.

PTA Recommends Locating of Proposed "Community Room" at Crescent Park

The Parent-Teachers Association voted overwhelmingly at their Tuesday meeting to adopt the following resolution:

"We recommend that when and if the voters of Bethel choose to build a multi-purpose room, such as a 'community room', that it be located at Crescent Park and made available to the School Department during school hours."

It was reported that this year's Town Meeting will be presented alternative plans for building a fire station either with or without a "community room". Also, that the School Department would likely request, within a few years, a "multi-purpose room" which would be adaptable for assemblies, physical education, cafeteria, music, etc. (Assemblies are now impossible, physical education very limited, meals eaten

in the classrooms, and band rehearsals in the hall.)

The "community room" to be voted on March 1st would be about 40x50' whereas the "multi-purpose room" might be 40x30', just large enough for basketball.

The P. T. A. points out that one Community Center, such as the Bethel Players are working for, could be built by the Town at Crescent Park, connected to the school by a breezeway, and serve both purposes. As a Town Building its use could be scheduled by the Town Manager but would be available for school use during school hours.

This plan would permit the fire house to be built now, but would prevent the expensive duplication of building two very similar general-purpose rooms, thereby saving a considerable amount of money.

NEW RESIDENTS

Mr. and Mrs. Donald Fifield from Los Angeles, California, recently moved into the Eric Sahlborg house on Paradise Road. Mr. Fifield, an employee of Hughes Aircraft, works at the Earth Satellite Station in Andover.

Mr. and Mrs. Elmer H. Walters and family, formerly of Toms River, New Jersey, this week moved into the Hamilton Bailey house (the former Congregational Manse). They have four daughters, Lori-Ellen, a sub-primary pupil at the Ethel Bishbee School; Sharon and Karen, seventh grade, and Alison, eighth grade at the Crescent Park School. Mr. Walters works for Hughes Aircraft at the Earth Satellite Station in Andover.

PUBLICITY BUREAU TO HOLD ANNUAL MEETING

The 43rd Annual Meeting and Banquet of the State of Maine Publicity Bureau will be held on Monday, January 18, in Augusta, according to an announcement by Monett Robbins, Rangeley, President.

The afternoon business meeting will start at 2:00 p. m. with the election of directors and annual reports by the secretary and treasurer Robert O. Elliot, Recreation Director for the Department of Economic Development will discuss the results of Maine's participation at the 1964 World's Fair at Flushing Meadows, New York, following the business session.

Evening activities will start with a social hour at 5:30 followed by the annual banquet at 6:30. Commissioner Standish K. Bachman, DED, will be the principal speaker.

CHAMBER OF COMMERCE EXEC. COMMITTEE MEETS

The Executive Committee of the Greater Bethel Chamber of Commerce met at the home of President Burdick Pierce, Sunday night, January 10th. Present were Jack Trivard, Joseph Farrow, Al Barth, Ronald Stevens, Norris Brown, and James Fiske.

A budget for 1965 was prepared in order to include an article in the town warrant. The forthcoming winter carnival to be sponsored by the Chamber was discussed. A welcome committee was appointed to help new families in town feel more at home. Committees were also appointed or will be appointed for mining, membership, and information booths.

The monthly meeting of the Women's Society of Christian Service will meet at the home of Mrs. Donald Walker, Mason St., for a pot luck supper with Mrs. Alton Luxton as co-hostess on Thursday, Jan. 21 at 6:30 p. m. Each member to bring a hot dish or salad unless otherwise contacted. There will be a missionary program at which time the "Mite" boxes are to be turned in. Mrs. Robert Keniston, chairman of the missionary committee has the program.

Members of the state-wide Publicity Bureau and their guests from all parts of Maine are expected to attend both meetings will be held in the Augusta House.

MAKE SURE OTHERS CAN SEE YOU IN WINTER DRIVING

"Safe winter driving depends not only on how well we can see, but also on how well other drivers can see us," the State Police point out.

"Snow or mud can obliterate the effectiveness of directional signals, taillights, and stoplights," the enforcement group cautioned. "It is a mighty good idea for every motorist to have a cloth or a roll of paper towels in his car, so that, in sloppy weather, the lenses of vehicle lights can be wiped clean."

They reminded drivers that, unless rear lights are clearly visible from behind, the driver who is following may creep up much closer than he should before he realizes the precariousness of his and your situation.

"Safety conscious truck and fleet operators insist on their operators keeping rear lights and reflectors on their vehicles clearly visible to warn the drivers behind it is equally important," concluding the State Police, "for the drivers of private autos to do likewise. Remember, for safety's sake, we must see—and we must be seen."

\$753,855.16 PAID TO MAINE UNEMPLOYED IN DECEMBER

Maine paid \$753,855.16 in benefits during December 1964 to persons unemployed and covered by the Maine Employment Security Law. This compared with \$467,960.21 paid in November and with \$968,756.83 paid in December 1963.

In mid-December there were 3,004 workers unemployed and claiming benefits under the MES Law, compared with 6,762 in November and 11,051 in the corresponding week in December 1963. The insured unemployment rate for the week ending December 12 was 4.7 percent. It was 3.5 percent a month earlier, and 5.8 percent a year earlier.

Through its Unemployment Compensation Division, the Commission paid from federal funds a total of \$45,543.00 in jobless benefits in December to former federal workers and ex-servicemen.

A totals of \$24,578.46 from available federal funds also was disbursed during December in training allowances to those eligible Maine persons who were engaged in either training or retraining programs under provisions of the Federal Manpower Development and Training or Area Redevelopment Acts.

RURAL ROUTE PATRONS ASKED TO KEEP BOXES SERVICEABLE IN WINTER

Postmaster Estlin Paine today appealed to postal customers on rural routes to help their rural carriers make mail deliveries during bad winter weather.

The Bethel post office has two rural routes, covering the area of Bethel, Albany, East Bethel, West Bethel and Gilead. The postmaster hopes all authorities concerned with rural routes where snow and other bad weather hampers the carriers will continue to cooperate to help the mailmen get through.

The Postmaster listed those points of particular concern:

1. Approaches to rural mail boxes must be kept open by customers.

2. Obstructions to delivery of mail on rural routes should be removed or minimized to the fullest extent possible.

Where rural boxes pose a problem, the carrier may leave form 4058, "Your Mailbox Needs Attention," a notice to keep box approaches clear by promptly removing all obstructions, including snow, which may make mail delivery difficult or impossible.

Unless approaches are cleared, it may be necessary to temporarily withhold delivery of mail, the Postmaster pointed out.

Rural carriers are not required to perform service on foot when roads cannot be traveled with the vehicles normally used, but they are expected to make every reasonable effort to serve as many of their patrons as possible without physical exertion or added financial cost, he explained.

If excessive detours are necessary to effect delivery of mail, customers should temporarily relocate their boxes on the new line of travel, arrange to receive their mail through other patrons' boxes, or make other arrangements for their mail until travel on the route affected can be resumed.

MINUTES OF NOV. & DEC. MEETINGS OF PLANNING AND ZONING BOARD

Meeting of Nov. 13:

The minutes of the last meeting were approved. Chairman Hastings reported that Selectmen had appointed Mr. Carroll Valentine as an Associate Member of the Board provided by the revised Planning Enabling Acts of the State and welcomed him to the Board. It was reported that Mr. and Mrs. Leonard Pierce would appreciate being on the mailing list and the Secretary was so requested.

With regard to the sign situation, it was reported that the Chamber of Commerce special committee on signs had not held a meeting, but that the signs at the railroad station would probably come down as a building was going up on the property.

The question as to whether Zoning would take precedence over the Highway Law with regard to signs was discussed. It was agreed that Town Zoning requirements regarding signs that did not conflict with the State Highway Laws would take precedence, that the Highway Department in fact required applications for signs to indicate that proposed signs did comply with Town Zoning where in effect.

It was agreed that the present Town ordinance against signs (except for signs over 12 square feet in an area for sale, lease or rental of a lot on which they are placed) was satisfactory for the compact area, but that advertising signs not exceeding 100 square feet should be permitted outside the compact area.

The question as to how to define the compact area since there are no longer any village limits was discussed. As the State Highway Department has no well defined limits, changing them as conditions change, it was agreed that the Zoning Ordinance should define the limits in section on Signs. Mr. Heywood was asked to propose such limits at the next meeting, defining the area on the basis of street and Lot Number location.

With regard to restrictions on trailers, the zoning requirements of the Town of Brunswick were reviewed. It was agreed to propose Section VII—Individual Mobile home, for adoption as part of the present Bethel Ordinance, revised as necessary to comply with Bethel conditions.

It was agreed that the next meeting would be December 17.

Respectfully submitted, Ruth G. Ames, Sec.

December 17 meeting:
The minutes of the November 13th meeting were read and approved.

In view of the fact that the Planning Reports of Greenville and Wilton by the James W. Sewall Company had been circulated among all the Board members, there was a general discussion as to action to be taken on whether Bethel should take advantage of the funds available under the Urban Planning Grant from the Housing and Home Finance Agency. It was understood that the cost of a comprehensive plan for Bethel would cost \$11,400.00 of which Bethel would only have to pay \$2,470.00.

On motion duly seconded it was voted to recommend the inclusion of an article in the warrant for the next Town Meeting to authorize the funds for such a comprehensive survey.

It was understood that Chairman Hastings would contact the Sewall Company to determine if the estimate of \$11,400.00 was still correct.

Discussion then followed on the best way to assure the approval of the article at the Town Meeting. It was suggested that the January 5, 1965 meeting of the Chamber be devoted to a discussion of the proposal. Mr. Laws, Chairman of the Chamber, was contacted and agreed to this. Chairman Hastings agreed to contact the Sewall Company to obtain a speaker, possibly Mr. Philip Dufour, for the meeting, advising them that the Board had approved the proposal.

At the last meeting it was agreed that business signs should be prohibited from compact areas only, not from all

LAY-LIFE AND WORK ASSEMBLIES TO BE HELD AT PORTLAND & BANGOR

This is the year Maine church people must be involved. The

Congregational-Christian Conference of Maine is calling its people to two Lay Life and Work Assemblies one in Portland on January 17 at the Woodsfords Church, and the other in Bangor at the Hammond Street Church on January 24th. On these two Sunday afternoons people will face the issues of this legislative year: Human Relations, Educational Needs, Problems of Welfare and Tax Problems.

Leaders will include the Honorable Donald W. Webber, Associate Justice, Maine Supreme Court; Dr. William Logan, new Commissioner of Education for Maine; the Reverend Dr. Frederick W. Whitaker, former Senator, State of Maine, and President of Bangor Theological Seminary; Louis Scolnik, Director, Bureau of Welfare, State of Maine.

The Assemblies will seek to involve lay people in the real issues of the day. They have been planned by the Lay Life and Work Committee, and the Social Action Committee of the

An officer complained to Stahewell Jackson that some soldiers were making a noise in their tent.

"What are they doing?" asked the General. "They are praying now, but they have been singing," was the reply.

"And is that a crime?" the General demanded.

"The articles of war order punishment for any unusual noise," was the reply.

"God forbid that praying should be an unusual noise in this camp," replied General Jackson.

MAINE TO WIN NATIONAL GOLFING ATTENTION IN 1965

This will be the year in which golf will make a belated start as a prime Maine tourist attraction. Setting the stage will be Poland Spring's Vacationland Open offering a purse of \$15,000, the richest tourney in the state's history. Scheduled for August 5-8 it will attract many of the hottest pros in the northeast, no doubt including Paul Horney, one of the top players on the national tour in 1964.

PLANNING BOARD

from Page Four

residential and farming areas and Mr. Heywood was to define the compact area, it having been pointed out that the Highway Department did not have any descriptions of the compact area which could be written into the Zoning Ordinances.

In attempting to define this area, it was found that many areas which should not have large business signs would be left without protection, such as Routes 5 and 35, areas where there is no real business reason for signs of this character. On this it was agreed that the following description of the areas which business signs no larger than 100 square feet would be accepted for writing into the Zoning Ordinance:

Route 2 - From the eastern boundary of Lot 193A, Map U-7 (Alice Barker property) west to western boundary of Lot 22, Map U-7, (Arthur and David Head property) and west from eastern boundary of Lot 35, Map R12, (Ralph Baris property) to Town Line.

Routes 2 and 26 - From western boundary of Lot 13, Map R-6, (Heirs of Paul Thurston property) east to Town line.

Route 26 - From Alder Brook south to Town Line.

To implement this action, it was agreed that the limit of 100 square feet should be applied to the commercial zones in those sections covered by the description.

Mr. Heywood was asked to draw up a complete outline of the changes proposed to date in the regulations pertaining to signs and submit to the members prior to the next meeting.

In view of the fact that there are only about 60 days before the 1965 Town Meeting and that there must be a Public

Hearing on all matters to be included in the warrant before the Town Meeting, it was agreed to finalize all Board recommendations made to date at the next meeting. Mr. Heywood was asked to prepare these recommendations in final form, it being understood that Chairman Hastings would check this preliminary draft for legal form, and copies distributed before the next meeting or at the meeting for final action.

It was pointed out that the Zoning Ordinance under the present Enabling Acts of the Legislature should include a comprehensive plan of the Town such as was prepared as a basis for the original Zoning Ord-

inance and published in the Bethel Citizen at the time. Mr. Houlihan advised that Mr. Irving Brown was planning to make a town Map by reducing the present town maps and these might be of help.

Mr. Heywood agreed to work on this.

With reference to the next meeting of the Board, it was agreed that this should be determined at the conclusion of the January 5th meeting of the Chamber of Commerce.

Respectfully submitted,
Ruth C. Ames, Sec.

WATER IMPROVEMENT COMMISSION CLASSIFICATION RECOMMENDATIONS INTERSTATE TRIBUTARIES OF THE ANDROSCOGGIN RIVER BETWEEN NEW HAMPSHIRE AND MAINE

Pursuant to the provisions of Section 3, Chapter 79, Revised Statutes of 1954, as amended, the Maine Water Improvement Commission hereby gives public notice of proposed classifications of the Interstate tributaries of the Androscoggin River between New Hampshire and Maine:

All tributaries, direct and indirect, of the Androscoggin River which are interstate in nature by virtue of having portions of their drainage areas in New Hampshire and portions in Maine are to be classified as follows:

Drainage systems of Wild River in the Township of Gilad—Class B-1.

Drainage systems of Lary Brook and Ingalls Brook in the Townships of Gilad and Riley—Class B-1.

All waters and segments thereof of the Androscoggin River Watershed which are interstate in nature by virtue of having portions of their drainage areas in New Hampshire and portions in Maine are classified as follows:

Waters tributary to the Stearns Brook (Milan & Success, New Hampshire) drainage in the Township of Riley—Class B-1.

Waters tributary to the Chickadee Stream (Milan, New Hampshire) drainage in the Township of Gratton—Class B-1.

Waters tributary to the Millidgebrook Stream (Errol, New Hampshire) drainage in the Township of Upton—Class B-1.

Waters, not otherwise classified, tributary to the Umbagog Lake drainage in the Townships of Upton, Gratton, Andover, North Paris, C. Morris, Township C, and Magalloway Plantation—Class B-1.

Waters not otherwise classified tributary to the Magalloway River drainage in the Townships of Magalloway Plantation, Libella Plantation, Parkertown, Tanchtown, Parmachenee and Downstream—Class B-1.

Discover the difference in the '65 Chevrolets (As different from other cars as they are from each other)

CHEVROLET—As roomy a car as Chevrolet's ever built. Chevrolet Impala Sport Coupe

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: What do you get by paying more for a car—except bigger monthly payments?

CORVAIR—The only rear engine American car made.

You should read what the automotive magazines say about the '65 Corvair. They're wild about its ride. They think there's nothing else this side of the Atlantic that can touch its styling. They say if you haven't driven a new Corvair Corva with a 180-hp Six Turbo-Charged, you just don't know what you're missing.

TWO NEW DEGREE PROGRAMS AVAILABLE AT STATE UNIVERSITY

Increasing demands for teachers trained in teaching retarded children and skilled in school librarianship have resulted in two new master's degree programs at the University of Maine.

Both programs, just approved by the university's board of trustees, are "service programs which the College of Education hopes will do much to supply this demand, Dean Mark R. Shibles said. Candidates in both programs will earn Master of Education degrees on successful completion of the program.

No formal degree program for the preparation of school librarians has existed in Maine and particularly in the past three or four years the demand has increased. The State Department of Education now requires a person with some training in library science for secondary school accreditation.

Candidates seeking their M. Ed. in school librarianship will be required to take courses in classification and cataloging of the library; reference materials in the school library; school library organization and administration; literature for children or adolescents; and two seminars. The seminars are in school librarianship and education in the United States.

Six hours of electives may be selected from courses which include planning the elementary school curriculum or the secondary school curriculum; literature of the social studies and science for the school librarian; literature of the humanities for the school librarian, building the school library collection; and bibliographical and reference techniques.

The need for teachers of retarded children is far in excess of the supply, Dean Shibles said, the new master's program will orient teachers for teaching retarded children of elementary and junior high school levels.

In addition to a seminar on education in the U. S., required of all master's degree candidates, courses include psychol-

ogy of the exceptional child; psychology of the retarded child; methods of teaching the retarded child; curriculum for the retarded; evaluating pupil achievements; educational measurements; individual psychological testing; introduction to speech correction; remedial reading; and a seminar on the retarded child.

HARDING - MARTIN

Miss Margaret Elizabeth Martin of Salome Farm, Buckworth, England, and Ale John Stanley Harding, of U. S. A. F., Alconbury, England, were married at Hamerton Parish, Dec. 19, 1964.

Miss Martin is the second daughter of Mr. and Mrs. Albert Martin. Mr. Harding is the son of Mr. and Mrs. Harry Robinson of Bethel, Maine.

The bride was given in marriage by her father and wore a long white velvet dress with train and carried a bouquet of red and white roses.

Her sister, Mrs. Jean March, was the matron of honor, and two friends, the Misses Gilliam and Jane Dodson, were bridesmaids.

Mrs. March wore a long red velvet dress with three quarter sleeves, white head dress, gloves and shoes. She carried white freesia and white carnations.

The small bridesmaids also wore long red velvet dresses, but had short sleeves. They all wore white gloves and shoes, had their hair in velvet ribbons and carried bouquets of white carnations.

The Rev. P. Sutton conducted the service and the organist played "Love Divine," "Lead Us, Heavenly Father," and Psalm 23 was read by Mrs. Green.
